

A GREAT 2016 show season for MNSPHC... thanks to all of you! Whether you're an exhibitor, show Mom or Dad, Grandpa or Grandma, trainer, coach, worker or volunteer... YOU all deserve credit! This season was awesome and we have more to put down in the record books...how about the Grand Paint Classic with 31 entries in the Overo Color Class! The photo went viral with social media... shared by a National Director from a different state to the APHA Executive Committee...how cool is that! As a regional club, we have special moments to be proud of!

A Special thanks... from throughout the year.

We have so many to thank for going the extra mile...hard working dedicated people...volunteers, show staff and our Board of Directors, positions often not mentioned, for all the extra they do!

Article as written:

ARTICLE VI - GENERAL ELECTION

SECTION I. All Directors shall be nominated and voted upon by written ballot.

SECTION II. Elections will be held annually at the Member Appreciation Banquet. Thirty (30) days written notice of the date, time, and place shall be given to all members of the Club. At said meeting, the general membership shall elect members to the Board of Directors. Election of the members shall be made by a simple majority vote of eligible voters represented, and casting a written ballot.

SECTION III. Any member in good standing and eligible to be nominated to an Officer or Director position may notify the Club Secretary in writing of their desire to run for a Board of Director position in order to have their intent to run for office published in the election meeting notice. The election meeting notice is required to be sent 30 days prior to the election meeting, so the written notice sent to the Secretary must be done 45 days before the fourth quarterly meeting. If written notice is not given by a member in good standing pertaining to their desire to run for a position, they must be available to accept a nomination from the floor in person at the fourth quarterly meeting.

SECTION IV. Voting by proxy or assigning one's vote to another person to vote in his absence is not allowed. Only members in good standing with voting privileges will be permitted to vote.

- A. The slate of nominees will be handed out or presented to the members at the fourth quarterly meeting. Votes are tabulated for each officer prior to proceeding to the next officer to be elected. Elections shall begin with the President. Ballots will be counted for each officer prior to moving on to the subsequent offices so that nominees not elected for a position may be nominated for subsequent office and/or Director positions. Members must be in attendance and nominations from the floor can be accepted.
- B. The nominee receiving a simple majority of votes shall be elected.
- C. Results of the election shall be forwarded to the APHA office within 30 days of election.
